

Beroni Group to Present at Biotech Showcase™ 2020 in San Francisco, USA

NEW YORK and SYDNEY, Australia, Dec. 19, 2019 (GLOBE NEWSWIRE) -- Beroni Group (OTCQX: BNIGF; NSX: BTG) ("Beroni" or the "Company"), an international diversified biopharmaceutical enterprise focused on the research, development, innovation and commercialization of therapies and products for treatment of global diseases, today announced that it will present at the Biotech Showcase™ 2020, to be held from January 13-15, during the most important week in healthcare finance at the Hilton San Francisco Union Square.

Presentation Details:

Date: Monday, January 13, 2020

Time: 10:30AM PST

Track: Yosemite C (Ballroom Level)

Location: Hilton Union Square, San Francisco

"We are extremely delighted to participate in this year's conference to introduce Beroni's diversified core businesses which are comprised of the Company's Innovation Pathways, which include oncology and cell therapies; and its Commercial Pathways, which include infectious disease diagnostics & detection products, and an e-commerce sales platform for healthcare and pharmaceutical products," said Jacky Zhang, CEO of Beroni Group. "We look forward to meeting with investors and collaborators amongst this esteemed collection of healthcare innovators."

About Beroni Group Limited

Beroni Group is an international biopharmaceutical enterprise dedicated to the innovation and commercialization of drugs and therapies to combat various global diseases such as cancer and infectious diseases. Its diversified portfolio is comprised of a US FDA approved virus diagnostic kit, an e-commerce platform for the sale of pharmaceutical products and a development pipeline targeting oncology and cell therapies. Beroni has operations in Australia, United States, China and Japan. To learn more about Beroni, please visit www.beronigroup.com.

Forward-Looking Statements Disclaimer

This press release contains forward-looking statements or forward-looking information, within the meaning of applicable United States and Australian securities laws with respect to the Company. By their nature, forward-looking statements are subject to a variety of factors that could cause actual results to differ materially from the results suggested by the forward-looking statements. Accordingly, readers should not place undue reliance on the forward-looking statements. Generally forward-looking statements can be identified by the use of terminology such as "anticipate", "will", "expect", "may", "continue", "could", "estimate", "forecast", "plan", "intend", "believe", "potential" and similar expressions.

Forward-looking information contained in this press release is based on Company management's opinions, estimates and assumptions in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors that management currently believes are appropriate and reasonable in the circumstances. Forward-looking statements involve significant risks, uncertainties and assumptions, and there can be no assurance that such statements, or its underlying risks, uncertainties and assumptions will prove to be accurate. Factors that could cause actual results or events to differ materially include, without limitation, risks related to laws, rules and regulation applicable to the Company as well as the industry in which it operates (including in respect of taxes and other levies), economic or market conditions on both a national and global level, currency fluctuations, risks inherent to other entities at a similar stage of development and industry in which the Company currently is, competition from the Company's competitors, unsatisfactory development or marketing of the Company and/or its products or services, regulatory action or litigation (including product liability claims), and failure to enter into agreements or arrangements with other parties on fair or reasonable terms. Forward-looking information is made only as of the date on which it is provided and, except as may be required by applicable laws, the Company disclaims any intent or obligation to update such forward-looking information whether as a result of new information, future events or otherwise.
